Bench

Procurement expertise on demand

ArcBlue Bench

ArcBlue Bench is your key to upsizing, upskilling and delivering your procurement needs on time. We help you find the right procurement resources to meet your needs, ensuring you and your team deliver best practice procurement services.

Bench provides complete flexibility to handle your one-off procurement project need and offers complete support during peak times in your contract schedule, program and general workload.

More than recruitment, more than consultancy, we embed our Bench resources in your organisation and work to deliver your exact needs.

Providing procurement expertise on demand - from sourcing and contract management to SRM

Reporting to your procurement team as a direct resource

Offering flexibility of resources, scalable from part-time to full time, for short or long-term needs

Transferring key knowledge, leaving your team with more skills

Delivering access to the complete ArcBlue range of tools

Embedding positive, experienced, motivated people who understand your needs and processes to drive delivery of procurement solutions.

TALK TO US TODAY

ArcBlue Bench can deliver an affordable solution by providing the right people with the skills you need to deliver right now. ArcBlue Bench on demand can quickly identify your needs, understand your procurement goals and present the right people to help you achieve them.

We find the right people from our talent pool to embed in your organisation, helping you achieve the best results.
